Coshusly waiting the brave heroes crept to the blood turned door. All of them where سعد. But they where closer to the door. First was Anchoola She was the smallest out of them all, her eye were wooden brown, she had black locks. She may have been small but she had a big spirit. Next was Alex he was bigger than Anchoola but less confident. He had dark hair. He was hoog head blow crystal eyes. This next was Chris he had black hair and brown eyes. He was a bit bossy but very clever. Next was James, he had very curly hair brown eyes and he was a bit smaller than everyone else.

In an instant Alex turned to Angela and demanded "open the door."

James whispered, "I don't want to go!"

"Go! go! go!" came with the stern reply.

There was no chance for the others to reply, in fact they wouldn't even think of it as they feared Chris. The plan was in action. The brave warriors knew what they had to do. It was all up to them now.

Hearts beating as fast as a shooting star the brave heroes entered room 19. It took a brief second or two for their eyes to scan to the eclips darkness of the under crown. The blood sucking demons yet lay upon them as high as a sky scraper. The blood howling best lay beside a blood cured coffin. His teeth were rooby red. Jameses torch flickered on the and their were peep marching across the room. It was bigger than they could imagine but even more terror fixing than they thought.

At that moment Alex raised his vampire chesty stake he whoosh his pray. He lifted his stake, he deftly pointed his sharp stake to the vampire's black hair, just then James shone his torch on the blood cured coffin.

After that Chris had his cross fix cross. The blood finally  
vampire twitched his eyes ~~over~~ they opened. His eyes were blue  
now. He screamed like a spider sees a corner. Every thing  
thing was going to plan until the vampire sprung up.  
They for surrounded him. They shoved him back in to the  
cabin. Chris held his cross closer and closer. Surely  
the vampire pushed and shoved. It was hard to  
keep track of him. He made a big scream. The other  
creatures stop to move and it stop breathing. They all  
now that it was all over.
